Chapter 11 or Chapter 9 Cases: List of Creditors Who Have the 50 Largest Unsecured Claims and Are Not Insiders

12/15

A list of creditors holding the 50 largest unsecured claims must be filed in a Chapter 11 or Chapter 9 case. Include claims which the debtor disputes. Do not include claims by any person or entity who is an *insider*, as defined in 11 U.S.C. § 101(31). Also, do not include claims by secured creditors, unless the unsecured claim resulting from inadequate collateral value places the creditor among the holders of the 50 largest unsecured claims.

Certain of the Debtors are named as defendants in over 2,600 actions across the country in connection with the marketing and sale of opioid medications ("**Pending Actions**"). Any claims asserted against any Debtor in respect of the Pending Actions (the "**Pending Action Claims**") are contingent, unliquidated in amount and disputed. All creditors asserting Pending Action Claims will be included in the Debtors' list of creditors. This List of Creditors Who Have the 50 Largest Unsecured Claims and Are Not Insiders does not include these contingent, unliquidated and disputed claims.
